

# Innovative Engineering Solutions

Stainless Steel Bollards  
Sydney Opera House

Stainless Steel Fog Columns  
Olympic Park

design &  
architectural  
metalwork

Ogis believe that anything your design team can create we can manufacture.

We enjoy the challenge of being innovative.

Ogis can assist in turning your conceived ideas into a reality.

Our expert team will assist in your design, producing prototypes and providing fabrication advice to ensure an appropriately manufactured product suitable for its purpose.
